Date: April 30-May 2, 2010

An Open event benefiting the
North Carolina Community Sailing's new Adaptive Sailing Partnership
with the YMCA and the Chuck Strange Foundation

Organizing Authority and Host Club: The Outrigger Yacht Club

Rules: This event will be governed by the Racing Rules of Sailing (RRS), available at www.ussailing.org, the Lake Norman Keelboat Council's (LNKC) Lakewide Sailing Instructions (LSI), available at www.lnkc.com, and these Sailing Instructions.

Eligibility: Registration is open to any keelboat with a current Lake Norman Keelboat Council PHRF Rating Certificate by submitting the completed Entry Form with payment of appropriate fees. If the boat does not have a current LNKC PHRF Certificate, a temporary rating must be obtained by properly completing a LNKC PHRF Rating Request Form (available on the website) and returning it with the Entry Form at least one week prior to the event. To qualify for a rating, the boat must be a ballasted, self-righting monohull of at least 20 feet in overall length. A boat will not be scored unless all eligibility requirements are met.

Classes: Entrants will be divided into Spinnaker and Non-Spinnaker Fleets and may be further divided into Divisions. Fleet declarations may not be changed after the conclusion of race registration. Division ribbons to be flown from the backstay of each boat will be provided at the Skipper's Meeting.

Courses: A signal flag flown from the Committee Boat will identify which of the courses outlined in the Sailing Instructions provided at the Skipper's Meeting is to be sailed.

Starts/Scoring: The starting line will lie in the vicinity of the Shoal Marker (SM) 0.4 NM WNW of channel marker 2. The boat with the highest PHRF rating will start first and the boat with the lowest PHRF rating will start last. The time differentials between the start for the first boat and all pursuing boats will be provided at the Skipper's Meeting as will and sailing instructions with course information. Boats will be scored in their order of finish. On water check in is not required and competitors may operate their motors until five minutes before their scheduled start. This changes LSI 9.1 and RRS 42.1. Each boat will remain clear of the starting line area until five minutes prior to its scheduled start time and yield to those who are starting. The Class Flag will be numeral Flag 1. The preparatory signal will be the Flag P. Course signals and any flag that makes part of Rule 30 applicable will be displayed separate of the Starting Sequence signals. This changes Rules 26 and 27.1 and the Preparatory Signals in Race Signals. Boats over early will be signaled with one sound signal and flag X, however flag X will be lowered prior to the start of the next scheduled competitor. This changes RRS 29.1. One race will constitute a Regatta.

The starting signals sequence for the first boat to start, and to begin the countdown for all pursuing boats to start, is as described below:

As a courtesy, there will be two sound signals one minute prior to the Warning Signal.

<u>Signal</u>	<u>Flag and Sound</u>	<u>Minutes before Starting signal</u>	
Warning	#1 Flag - 1 sound	5	Note: Times shall be taken from the visual signals; the absence of a sound signal shall be disregarded.
Preparatory	P Flag - 1 sound	4	
One-minute	P Flag removed -1 long sound	1	
Starting	#1 Flag removed -1 sound	0	

Missing Channel Markers or Course Marks: RC may replace a missing Marker or Course Mark with a temporary floating mark that may not display Flag "M" and without any sound signal(s). This changes RRS 34.

Protests: Competitors are encouraged to resolve all protest on the water according to the rules. Otherwise, the protesting party must inform the CB prior to leaving the Race Area of their intent to submit a written protest. Properly completed protest forms must be submitted to the RC within 2 hours of the last boat finishing for the day. A protest hearing will be convened as soon as possible thereafter.

Trophies: Trophies will be awarded to the first two finishers in each Division.
