

Outrigger Yacht Club

Annual Frogmore Stew Social

When: April 29th, 2017

In the late afternoon, immediately following the OYC Pursuit Race

Where: Mariner Villas Clubhouse

7419 Mariner Cove Drive, Cornelius, NC 28031

What: Doug Riley's famous Frogmore Stew as the centerpiece of another great OYC social function. It is time once again to get back together with your OYC friends and tell stories (fibs) of the funky winds that stole victory away this past year, the gale force winds you survived in Icicle Series, or the carefully planned sailing tactics that brought a first place.

But no matter what story you are telling, you don't want to miss out on the stew! Years of practice and dedication to the culinary arts has allowed Doug to master the traditional Carolinas boil consisting of corn on the cob, sausage, potatoes, shrimp, and mussels (or clams). Alternately known as a Low Country Boil, Seafood Boil, Beaufort Boil, or Tidewater Boil, depending on where your boat hails from (Wikipedia).

Cost: \$5 per person, or nothing if you bring an appetizer or desert. OYC Tradition!

RSVP: Please RSVP to John Olsen at olsenjohn11@gmail.com by April 27th at the latest so that we can bring appropriate drinks and plan for the correct amount of boil.
