

Greetings Sailors,

Well a lot has happened since our last installment. On July 7th, we had an Outrigger Yacht Club board meeting where we discussed and approved several proposed changes to the bylaws. In addition, we also discussed several changes to the Lakewide Sailing Instructions and Spirit of Cooperation that will be presented to the Lake Norman Keelboat Council for consideration. This summer has also been HOT in more ways than the temperature. The Wednesday Night Series has seen some heated action with several protests being handed up for our local judge to decide.

As the summer winds down and the fall winds return there's still tons of good sailing to be had, least of which is the Commodores Cup in November. Yours truly will be on committee boat duty during the day and Doug Riley will be

on oyster duty that evening for our annual Oyster Roast and OYC Meeting. Come take the chill off with some fantastic oysters and appetizers.

Fair winds and see you on the water.

Chris Greenman, Commodore

OYC NEWSLETTER

Hello sailors,

I am happy to report that we are in the middle of a great year of sailing. Congratulations to Tim Porter on the U20 Mighty Mouse as the 2016 Top Gun. The Wednesday Night Series is going well and I am happy to announce that we have the most boats registered since 2009. We have only had 2 abandonments due to lightening so far and really good breezes. It seems that when the forecast has called for calm air and flat water, nice breezes have come up for us to get in some nice racing.

I want to thank those that have participated on the committee boat. You volunteers are the only way we get to race and keep the fees low. As a reminder to all, those on CB duty are all trying to do the best they can with crazy wind shifts and low wind forecasts and conditions when they set up the race course. When things change, they have to make snap

decisions that sometimes don't set up the best courses. Please remember that given our evening sailing, we do not have the luxury to postpone for very long to get it perfect. We all spend the time to get there and the most important thing is that we get a race in. So PLEASE, don't give them grief if it's not perfect. Next time it could be you in that position.

The Race committee has spent considerable time developing clarifications to the Lakewide Sailing Instructions, OYC race policy, and coordinating documents to propose the LNKC. The board adopted some of those OYC revisions and they will be published shortly if not already.

Just a couple of weeks ago we were lighting firecrackers and watching the sun set around 9:15 p.m. and before we know it the Wednesday Night series will be over. This year we have rescheduled the Frogmore Stew Event to coincide with the WNS overall awards to be held on Saturday August 27.

The location will be the club house at Mariner Villas and we hope to finalize a time in a couple of weeks, so keep an eye out on the OYC website and your emails.

Hope to see you all there!

Steve Holbrook, Rear Commodore

Board of Directors Meeting Minutes:

Meeting minutes OYC Board July 7, 2016

In attendance: Commodore Chris Greenman, Vice Commodore Bob Davis, Rear Commodore Steve Holbrook, Past Commodore Doug Riley, Member At-Large Craig Galow

7:08 PM Call to order

Minutes of the 1/9/16 meeting were approved

Treasurer Report – Bank balances were read; Members wishing detailed financial information may contact the Commodore

Vice Commodore Report

Wednesday Night Series is going smoothly. Doug is going to retire next year and we will have to pick a replacement.

The Vice Commodore for next year will be Steve. Discussion ensued regarding the ByLaws requirement that the VC will become the Commodore, but none that the Rear must become the Vice. It was brought up the the Nominating Committee should plan to meet in August to discuss these issues and prepare a slate of candidates for 2017

Discussion was brought up on work to be done to the committee boat, waterproofing the radio and repairing the floor.

Discussion on if PYC does not get together the Leukemia cup this fall we should schedule our own Pursuit style race in 2017.

It was noted that both R and B have been replaced and now have lights on them.

Rear Commodore Report

Discussion as when to have the Frogmore: It was suggested to have it have it at the awards for the Wednesday Night Series. \$10.00 per person.

Communications to the Secretary - none

Membership Committee Report

Currently there are 38 total memberships, 4 of which are Associate
